Dr. McCharen made the following comments:

- Mr. Reid and I are smoothly making the transition of him becoming the Superintendent. It certainly helps that David has been in the district for twenty-eight years and that we have worked together at the Central Office for the last three years. He has put together a great team of central office administrators that will continue the unity and standard of excellence in this school district. In addition, Mr. Reid is inheriting an exceptional administrative assistant (Anita) that will be a great asset to him. Certainly, the re-opening of school in the fall is going to be full of uncertainties and challenges. I believe having a Superintendent in Mr. Reid that has been in this district for many years and has a great relationship with our principals and the community will help tremendously as we navigate through the re-opening of our schools in the fall. 

- As I have said repeatedly, there is always good that comes out of crises and this is no different. This pandemic has caused all educators to stretch our minds and think out of the box on how we reach students in different ways that will serve us well in the fall. We know that we need an online distance delivery system in our school district for a certain student population in normal times. With the pandemic, there will be a small percentage of parents that may not want to send their kids back to school in the fall and we don’t want to lose those students to Epic or other districts that will offer on-line school. In my opinion, nothing takes the place of face to face teachers in a classroom, but other methods of instruction are going to have to be offered and utilized this fall. I know David and his team are working on this issue and will give you more details soon.

- All Central office staff and twelve month employees at the schools went back to work on May 11th.

- Our CHS virtual graduation was rolled out on Friday, May 14th at 6:00 p.m. and we received very favorable feedback. Our in-person CHS graduation is still scheduled for FireLake arena on Monday, July 13th at 7:00 p.m. We will be working with FireLake on Covid safety guidelines and procedures.

- Even though the Teacher of the Year Banquet scheduled for April 21 was cancelled, we still honored our nine teachers. Teacher of the Year presentations were made on May 16th. Each site teacher of the year received approximately $1,700 in cash, merchandise and gift cards. Our District Teacher of the Year will receive an additional $1,600 in cash, merchandise and gift cards. Deborah Baack, Westfall Elementary 4th grade teacher, was named our District Teacher of the Year.

- In accordance with the OSSAA guidelines, summer activities can begin with athletes and students in other extracurricular activities. With that said, Mike Hessman, our Athletic Director, is here this evening to briefly tell you what procedures and guidelines we have put in place to keep everyone as safe as possible.

- Last but now least, this is my 298th board meeting as CNP Superintendent. That equates to approximately 620 hours which is about 206 rounds of golf. I can assure you that it will not take me 18 years to make up those 206 rounds of golf……I figure it will only take me about two years.

Dr. McCharen introduced Mike Hessman, CNP Athletic Director, who gave a brief report on district Covid-19 procedures regarding athletics. Mr. Hessman provided a written Covid-19 plan to each board member.

There were no comments from board members.

Dr. JeanAnn Gaona gave the following report. The consortium agreement between EOC Tech Center and Choctaw-Nicoma Park Schools must be approved annually. This agreement allows our high school students to receive credit hours for math and science courses required by the state department of education through the coursework completed at EOC rather than through separate classes at the high school. The Oklahoma State Department of Education will not issue site report cards from the state this school year. Testing will resume in the spring of 2021. Several of our sites have completed Programs of Excellence at their sites through committees that worked extensively during the 2019-20 school year. You will receive information regarding these applications for approve in July from Nicoma Park Middle School in the area of Fine Arts, from Nicoma Park Intermediate in the areas of Math and English Language Arts, from Nicoma Park Elementary in the area of English Language Arts, from Westfall Elementary in the areas of Safe and Healthy Schools and Math and English Language Arts, JGI in the areas of Math and English Language Arts. Originally Levi Patrick from the Oklahoma State Department of Education volunteered to attend our board meeting when our applications for the sites are approved by the board, which will now be in July. He is very excited about our district’s progress for this recognition and has stated several times that we will be leaders in the state for this recognition at our sites. Teachers and Administrators will meet Tuesday to discuss further plans for our distance learning platform and a possible virtual academy.

Mr. Alsup moved, seconded by Ms. Matherly to approve the consortium agreement between EOC Tech Center and Choctaw-Nicoma Park School District for the 2021/21 school year.
