March 1, 2021

Dear Parents/Guardians of EDGE Students Grades 3 through 11,

Mandated State Testing for Oklahoma Students in grades 3 through 11 begins April 6. The required tests are as follows:

3rd grade: ELA and Math
4th grade: ELA and Math
5th grade: ELA which includes writing, Math and Science
6th grade: ELA and Math
7th grade: ELA and Math
8th grade: ELA which includes writing, Math and Science
11th grade: Science and US History and ACT

The Oklahoma State Department of Education requires that all students take tests in the brick and mortar setting which is considered the site where your child would attend in person. Since your child is enrolled in Choctaw-Nicoma Park’s Virtual School EDGE, he/she will need to take these state mandated tests at their home school site. School counselors will communicate to you which days your child is scheduled for testing.

ACT tests must be taken with Dr. Collins at Choctaw High School. If your child is an 11th grader, and is in the EDGE Virtual Academy, Dr. Collins will send you the date and time for the ACT. If you are uncomfortable with your child being in the brick and mortar setting to take the ACT, then you must contact Dr. Collins at kcollins@cnpschools.org.

If you are uncomfortable with your EDGE student, grades 3 through 11( Science/US History) going in to the brick and mortar setting, please contact Jennifer Wright by email jwright@cnpschools.org. Mrs. Wright will arrange a time for your child to test at our administration building per the testing schedule created by our EDGE Department.

We realize the continuum of unprecedented times. Thank you for your continued support and understanding as we get through this next step in the school year with mandated testing.

Enjoying the journey,

Kelli Hosford

Kelli Hosford, Executive Director of Student Services
Choctaw-Nicoma Park Schools
